MEMORANDUM

TO: Agency CIOs

FROM: Rafael Diaz, Chief Security Officer
           Bureau of Communications and Computer Services

DATE: October 3, 2007

SUBJECT: Observance of National Cyber Security Awareness Month

---

Governor Rod Blagojevich has established October as National Cyber Security Awareness Month. In accordance with this gubernatorial proclamation, I am enclosing the National Cyber Security Awareness Month Toolkit, produced by the Multi-Sate Information Sharing and Analysis Center (MS-ISAC), in collaboration with the U.S. Department of Homeland Security's National Cyber Security Division. This Toolkit is designed to help promote the delivery of a consistent cyber security awareness message across the state. We encourage you to prominently display these items throughout your agency to enhance awareness of this very important state employee responsibility.

2007 MS-ISAC Toolkit Contents

- **Cyber Security Calendars in Hard Copy** (Printed calendars geared for government/businesses, adults and children)
- **Cyber Security Awareness Posters:** 4 separate posters
- **Cyber Security Awareness Bookmarks:** 4 separate bookmarks
- **MS-ISAC Toolkit CD**
  1 CD including the following material in electronic format:
    o Cyber Security Calendar
    o Cyber Security Awareness Posters – PDF Format
    o Cyber Security Bookmarks – PDF Format
    o Cyber Security Awareness Brochure for Adults
    o Cyber Security Awareness Brochure for Children on Cyberbullying
    o Internet Safe Kids Pledge Contract
    o National Webcast Initiative Broadcast Archives
    o Cyber Security Proclamation Templates (1 for states; 1 for District of Columbia)
    o Instructions for the MS-ISAC Members on how to print and brand these documents

If there are any questions, feel free to contact my office at (217) 557-1306 or contact me via e-mail at Rafael.Diaz @illinois.gov. Thank you.
